SUMMARY: SITE IS AN ~~EVENT~~ ^{EVENT} WHICH TAKES PLACE IN A DOME-SHAPED STRUCTURE LOCATED IN ISOLATED MOUNTAINOUS AREA - LOTS OF TREES.

INSIDE THE DOME IS A ROUND OBJECT ABOVE THE FLOOR. BETWEEN IT AND THE FLOOR, A SUDDEN ~~PROSSURE~~ ^{PROSSURE} HAPPENS, THE INSIDE OF THE STRUCTURE IS DARK EXCEPT FOR AN AREA AROUND THIS OBJECT, WHICH IS WHITE & RED & VERY BRIGHT.

THIS EVENT SEEMS TO BE THE FIRST IN A SERIES OF STEPS WHICH WILL OBVIOUSLY END SUCCESSFULLY. THIS FIRST STEP SEEMS TO HAVE HAPPENED SEVERAL TIMES IN THE PAST, BUT THE ONE VIEWED WAS THE ONE WHICH HAPPENED SUCCESSFULLY. ~~THIS EVENT WAS IN THE RECENT PAST.~~ ~~THE PRESENT SITUATION~~

THE PRESENT SITUATION WITH THE STRUCTURE (DOME) IS ONE OF QUIETNESS, QUIESCENCE.

THE LAST STEP SEEMS TO INVOLVE A "PULLING OUT" PROCESS, WHERE SOMETHING IS PRODUCED FROM A "BREAK" OR "HOLE" IN A SOLID SURFACE. (NOT: HOLE SPREADS)

SESSION END 1/43 hrs.
